

HEAVY EQUIPMENT ARMOR

PROTECTION YOU CAN COUNT ON!

BALLISTIC DEFENDER DOORS FOR BOBCAT M AND R MODEL SKID STEERS **PART# BD-BOB-M & PART# BD-BOB-R**

- Step-up the safety on your skid steer with a UL752 ¾" Level 1 rated ballistic bolt-on door mounted on a ¼" steel frame. Whether you are operating a hammer, auger, mower, mulcher, or log processor you can feel secure knowing there is a bullet resistant door in place, to help protect your BIGGEST ASSET, yourself.
- Enhanced Safety Doors for Bobcat skid steers install easily onto the skid steer using factory hardware from your original door, including gasket, hinges, lock system and emergency escape system all mounted to a ¼" steel frame.
- Cleaning your door is a breeze when using the right products. Please see list of approved cleaning products included with your Defender Door.

Defender Doors will not work with "Bobcat Forestry Door Hardware."

Our Defender Doors fit the follow machines:
