SKELETON BOLT-ON WINDOW GUARD

Fits Komatsu PC138USLC-10/11 & PC238USLC-10/11 Excavators
PART# ESG-KOM138

Constructed of 1/4" steel with 3" x 5" spacing.

Hinged at the top, allowing access to window for easy cleaning.

No modifications to the excavator required. Easily installs to the machines factory mounting locations. Mounting hardware included.

This Skeleton Window Guard works as a stand-alone product or in conjunction with our Ballistic Defender Window and choice of two top guards.

PLEASE NOTE: Due to ongoing new options offered by the machine manufacturer, lights, visors, wipers, and cameras options may not work with this window guard. Custom mounting or modification may be required to these options after the guard is installed.

This bolt-on skeleton window guard is not ROPS/ FLOP certified. It is intended as a debris guard only.
